- Only place mouthpiece end into one's mouth.

About the Terp Pen

The Boundless Terp Pen is an electronic aromatherapy device that is specifically designed for consuming herbal concentrates. Simply remove the cap, inhale on the mouthpiece, and apply the heating element to your concentrate of choice for instantaneous relief.

What's Included

1x Terp Pen • 1x Ceramic Coil • 1x Multi-Tool
1x Micro-USB Cable • 1x Cleaner Tool

Start Here

1. How to attach, remove, and replace the coil

To install, screw the included ceramic heating coil clockwise into the body of the unit.

To uninstall and replace, unscrew the ceramic heating coil counter-clockwise from the unit.

2. How to charge the Terp Pen

Prior to use, it is recommended to fully charge the Terp Pen unit with the provided USB cable. The blue battery LED indicator will blink while charging and will stop blinking once the unit is fully charged. Remove the USB cable once fully charged for maximum battery life.

UNIT BREAK DOWN

How it's Used

To use the Terp Pen, install the included ceramic coil into the body of the Terp Pen unit. (See Back).

1

Inhale Through Mouthpiece

Inhale through the mouthpiece to instantaneously activate power to the coil. The LED Light will turn solid blue once the breath sensor has been activated.

2

Apply Concentrate to Coil

Proceed to apply the Terp Pen to the concentrate of your choice. It is recommended to start with a small dose.

How to clean the coil

To clean the coil, it is recommended to perform a "burn off" to vaporize any excess material. To perform a "burn off", remove the body shell component from the unit to disconnect the air-path and inhale on the mouthpiece to "burn off" any excess material.

How to disassemble clean, and maintain the Terp Pen

The Terp Pen can be broken down into four main components for easy cleaning. These components include the ceramic coil, the outer body shell, the main battery, and the mouthpiece. Each can be cleaned using isopropyl alcohol or alcohol prep pads. Be mindful to not get any liquid in the USB port of the unit.

Use the included cleaner tool to get into the smaller areas.

Warranty

Boundless Technology provides a 3-year limited warranty on the unit and a 90-day limited warranty on the coil. This warranty covers manufacturing defects and Boundless Technology will replace or fix your unit. For more information about our warranty please visit at: bndlstech.com/warranty.
